TRANSMISSION OF FEES Under 37 CFR 1.28(c) RECEIVEL

DEC 22 2003

OFFICE OF PETITIONS

Transmitted herewith are the below noted fees in accordance with 37 CFR 1.28(c) for correcting errors in small entity status, and in payment of large entity fees. Please consider this as notice of correction from small entity status to large entity status.

In accordance with 37 CFR 1.28(c)(2)(i), the deficiency owed for each previous fee erroneously paid as a small entity is calculated as the difference between the current fee amount for a large entity on the present date on which the deficiency is paid in full and the amount of the previous erroneous small entity fee payment. The total deficiency payment owed is the sum of the individual deficiency owed amounts for each fee amount previously erroneously paid as a small entity.

In accordance with 37 CFR 1.28(c)(2)(ii), itemization of the total deficiency payment is set forth below, including each particular type of fee that was erroneously paid as a small entity, the small entity fee actually paid, and when, the deficiency owed amount for each fee erroneously paid, and the total deficiency payment owed, which is the sum total of the individual deficiency owed amounts.
